

Eazi-Wire®

- Layer wound plain wire on strong wooden spools
- No more tangles or 'birds nests'
- Improve productivity
- Galvanised to BS EN 10244 Class A
- Exact measurement—Sold by length not weight
- Easy to handle
- No wastage—Use what you need then thread the end back through the pre-drilled hole in the reel ready for next use
- 48 reels securely banded and shrink wrapped to each pallet
- Green Eazi-Wire® also available
