

# STAPLES PLAIN OR BARBED

- Manufactured using heavily galvanised wire.
- Galvanised to BS EN 10244-2 class A
- Created with a slice-point which encourages the staple to splay out when driven into a post.
- The staples are available in 5kg, 10kg, or 20kg strong plastic tubs.

Staple sizes available	30x3.55mm or 40x4.00mm
Weights available	5kg, 10kg, 20kg
